

# COLIN VISAGE

## CAD/CAM PROFESSIONAL

3494 NW Dogwood Ave, Redmond, OR 97756 | campfirecolin@gmail.com | 503-537-8246

### SUMMARY

Over 10 years of manufacturing experience crossing many facets of the production process. Detail oriented CAD and BIM software operator with history of managing large projects. Accurate programming and operating of multi axis CNC machines for tightly toleranced parts and assemblies. Well versed in GD&T from drafting to implementation and measurement by hand and CMM machine. Capeable MIG, TIG, and ARC welder, including being versed in open flame soldering and brazing.

### TECHNICAL SKILLS

SolidWorks	Siemens NX	PolyWorks	Fadal CNC
Civil 3D	Fusion	Visio	Mori Seiki CNC
Revit	PC-DMIS	Excel	HAAS CNC
AutoCAD			Hexagon CMM

### PROFESSIONAL EXPERIENCE

#### Mac's Radiator, Radiator Technician

2023 - Present

- Led radiator testing, diagnostics, repairs and rebuilds
- Fabrication lead for radiator modifications

#### PCC Schlosser, CNC Operator

2018 - 2022

- Led workload planning for up to three operators across six machines
- Ensured accurate machining of cast titanium parts
- Ran and maintained CNC machines

#### PCC Schlosser, CMM Operator

2017 - 2018

- Efficiently ran and maintained six to eight CMM machines at once
- Analyzed reports to confirm part conformity
- Tested and adjusted new part programs for production

#### PCC Schlosser, CNC Programmer

2013 - 2017

- Led design and project planning for wax injection sub tooling
- Programed and created documentation for part machining
- Managed assembly parts and tool stock for shop floor

### EDUCATION

#### Computer Aided Drafting CC1

2024 - 2025

Central Oregon Community College

- Relevant coursework in CAD and BIM software

#### Associates of Applied Science Manufacturing Technology

2011 - 2013

Central Oregon Community College

- Manual and CNC Machining CC1
- Welding CC1

#### Automotive Machining CC1

2006 - 2007

Chemeketa Community College

- Relevant coursework in Machining
